MAKE AN IMPRESSION

Our creative designers will maximise the impact of your exhibition by developing feature areas which are eye-catching, functional and communicate your brand message. From entrance features and registration desks through to internet cafés and seminar theatres, our design concepts provide branding opportunities for your exhibition, sponsors and key partners.

PROMOTE YOUR BRAND THROUGH SIGNAGE

If you want to stop people in their tracks, the right signage is vital – and a critical component for an exhibition. Our designers carefully plan your requirements to maximise the message you need to convey and will help you choose from a range of signage options, including 3D, backlit, front-lit, rigid, fabric, banners, vinyl or interactive. Whatever vision you have for your show, our consultants are on hand to offer advice and help you turn it into a reality.
